DIVIDEND

In view of loss incurred during the year the Board have not proposed any dividend for the financial year 2021-2022.

CURRENT AFFAIRS

The Financial Year 2021-2022 saw the second and third wave of Covid. The effect of Amphan followed by excessive rain the second half hit the yield of the garden. Many potential export contract could not be converted due to financial crash in the international market particularly in China, our prime export market. This year the Company has already suffered from interrupted gas supply issue as well as increase in gas price coupled with wage increment. Quality suffered during the second half of the year due to rain. It would be prudent to mention that Company has not incurred any cash loss in the current financial year. In the light of company not having made any taxable profit, no provision has been made for income tax.

FUTURE OUTLOOK

The season had opened well and market seemed buoyant. However, initial season has already been hit by excessive rain and washing away the paste and attack of diseases. However, all efforts have been made to ensure the crop is made up. The company has also hopeful on its export front and is very confident that international market will improve which results into better exports in the coming financial year. Many contracts are in advance stage of negotiations and company is very confident of finalizing. Further, company has made extensive capital investment in the garden as a quality improvement measures and as cost cutting measures to improve the bottom line.

SHARE CAPITAL

The Company has not issued Share Capital or other securities during the year.

TRANSFER TO RESERVE

In view of loss incurred during the year, the Company could not transferred any sum to General Reserve during the year. The amount of Loss of Rs.73,871.21 without considering OCI of Rs.17,020.99 adjusted with surplus of Profit & Loss Account.

CHANGES IN NATURE OF BUSINESS

There has been no changes in the nature of business of the company. The Company has adopted various cost-saving measures by rationalizing operating costs, personnel costs and overheads & administration costs. Most of the savings are strategic in nature and are expected to give long term benefits to the company.

The company has assessed the recoverability and carrying values of its assets comprising of property, plant and equipment, Inventories, receivables and other assets as at the balance sheet date i.e. 31st March, 2022 and on the basis of such evaluation , has concluded that no material adjustment are required to be considered in the Financial Statement. The impact of the pandemic, COVID 19 may be different from the estimates made as at the date of approval of these financial results and the company will continue to closely monitor the situation.

However, the company expects to achieve normalcy in its operations as the impact of this pandemic and the nation-wide lock down eases.

ANNEXURE 'C' TO DIRECTORS' REPORT

NOMINATION AND REMUNERATION COMMITTEE POLICY

The Ananda-Bag Tea Co. Ltd. believes that an Enlightened Board consciously creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance. Constitution of the Board of Directors ensures appropriate composition, size, diversified expertise and experience and commitment to discharge their responsibilities and duties effectively. The importance of Independent Directors in achieving the effectiveness of the Board was also recognized. The Company intends to have an optimum combination of Executive, Non-Executive and Independent Directors.

The Company has , therefore , formulated the remuneration policy duly approved by Board for its Directors, Key Managerial Personnel and other employees keeping in view the following objectives:

- a. Ensuring that the level and composition of remuneration is reasonable and sufficient to attract,
Retain and motivate, to run the Company successfully.
- b. Ensuring that relationship of remuneration to performance is clear and meets the performance benchmarks.
- c. Ensuring that remuneration involves a balance between fixed and reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The main object of this Committee is to identify persons who are qualified to become directors and who may be appointed in senior management of the Company. The committee recommends to the Board their appointment and removal and shall carry out evaluation of every Director's performance, recommend the remuneration package of both the Executive and the Non-Executive Directors of the Board and also the remuneration of Senior Management from time to time.

This Policy sets out the guiding principles for the Nomination and Remuneration Committee for identifying persons who are qualified to become Directors and to determine the independence of Directors, in case of their appointment as independent directors of the Company and also for recommending to the Board the remuneration of the Directors, Key Managerial Personnel and other employees of the Company

THE ANANDA-BAG TEA COMPANY LIMITED

The Nomination and Remuneration Committee, and the Board, shall review on an annual basis, appropriate skills, knowledge and experience required of the Board as a whole and its individual members. The objective is to have a Board with diverse background and experience that is relevant for the Company's operations.

In evaluating the suitability of individual Board members, the Committee may take into account factors, such as General understanding of the Company's business, Educational and professional background, Personal and professional ethics, integrity and values, willingness to devote sufficient time and energy in carrying out their duties and responsibilities effectively.

The Managing Director fulfills the following requirements:

- (e) has disclosed his concern or interest as required under the Companies Act 2013;
- (f) Other requirements as may be prescribed, from time to time, under the Companies Act, 2013,

The Committee shall assess the independence of Directors at the time of appointment / re-appointment and the Board shall assess the same annually. The Board shall re-assess determinations of independence when any new interests or relationships are disclosed by a Director. The criteria of independence, as laid down in Companies Act, 2013 should be strictly followed.

The Independent Directors shall abide by the "Code for Independent Directors" as specified in Schedule IV to the Companies Act, 2013.

The Board members are expected to have adequate time and expertise and experience to contribute to effective Board performance. Accordingly, members should voluntarily limit their directorships in other listed public limited companies in such a way that it does not interfere with their role as directors of the Company.

The Board, on the recommendation of the Nomination and Remuneration Committee, shall review and approve the remuneration payable to the Executive Directors / Key Managerial Personnel of the Company within the overall limits approved by the shareholders.

THE ANANDA-BAG TEA COMPANY LIMITED

The remuneration structure to the Executive Directors and Key Managerial Personnel shall include Basic Pay, Perquisites and Allowances & Retiral Benefits. Where any insurance is taken by the Company on behalf of its managing directors, chief financial officer, the company secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

Committee on review of performance of Directors, KMPs and other employees of the Company may recommend to the Board for removal of such person if they consider him not to continue further in the interest of the Company, due to any of the reasons for disqualification as provided under the Act or on any reservation about their performances.

This policy shall be reviewed by the nomination and remuneration committee as and when changes need to be incorporated in the policy due to changes in regulation or as may be felt appropriate by the committee. Any change or modification in the policy as recommended by the committee would be given for approval to the Board.

This policy is framed based on the provisions of the Companies Act 2013 and rules there under and requirements of Clause 49 of the Listing agreement with the stock exchanges.

INDEPENDENT AUDITORS'S REPORT

To the Members of The Ananda-Bag Tea Company Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Ananda-Bag Tea Company Limited ("the Company), which comprise the Balance Sheet as at March 31,2022, and the Statement of Profit and Loss, (including Other Comprehensive Income), the Cash Flow Statement and the statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with company's (Indian Accounting Standards) Rules 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2022 and its loss total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

No provision has been made in respect of the year end accrued gratuity liability of Rs.85417.71.This accounting treatment is not in keeping with the IND AS 19. This is Indicated in Note :25.3.b. Had the impact of the observation made by us been considered, the net debit balance in the Statement of Profit & Loss would have been Rs.15,928,8.92 (as against the reported figure of debit balance of Rs.7,387,121/-) and year end current liabilities would have been Rs.9,131,9.13 (as against the reported figure of Rs.590,142/-).

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing Specified (SAS) under 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Our opinion is not modified in respect of these matter.

Information Other than the Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the Other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also;

- Identify and access the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or , if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also communicate those charged with governance that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE "2" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Ananda Bag Tea Company Limited ("the Company") as of 31st March, 2022 in conjunction with our audit of the Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the

internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Company Overview

The Ananda-Bag Tea Company Limited is engaged in the cultivation, manufacture and trading of tea. The Company operates with one tea estate in Assam and sells bulk tea both in domestic and international markets. The company has got a presence in Packet Tea in domestic market through its distributors. The Company is a listed company in the Calcutta Stock Exchange (CSE).

2. Statement of Compliance

These financial statements, for the year ended 31st March 2022, have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules 2016.

3. Basis of preparation and presentation**A. Significant Accounting Policies**

The financial statements have been prepared in accordance with and in compliance in all materials aspect, with Indian Accounting Standards (Ind AS) notified under section 133 of the Company's Act 2013 ("the Act") read along with the Companies (Indian Accounting Standards) Rules, as amended and other provisions of the Act. On march 24, 2021 the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are applicable for financial periods commencing from April 1, 2021. The Company has evaluated the effect of the amendments on its financial statement and complied with same.

The financial statement have been prepared on the historical cost basis except for certain items which are measure at fair value at the end of each reporting period, as explained in the policies given below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

NOTES ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of the accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis.

Revisions to accounting estimates are recognised in the period in which the estimates are revised if the revision affects only that period; they are recognised in the period of the revision and future periods if the revision affects both current and future periods.

B. Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1. The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

C. Property, Plant & Equipment**(i) Tangible Assets (Other than Bearer Plants)**

Property, Plant & Equipment are stated at cost less accumulated depreciation and accumulated impairment losses. Cost is inclusive of incidental expenses related to acquisition. Borrowing costs attributable to the construction or production of qualifying assets are capitalized. Expenses for the repair of property, plant and equipment are charged against income when incurred.

Land is not depreciated.

Properties in the course of construction for production, supply or administrative purposes are carried at cost, less any recognised impairment loss. Depreciation of these assets, are on the same basis as other property assets, and commences when the assets are ready for their intended use.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in profit or loss. The estimated useful lives are also as specified in Schedule II of the Companies Act, 2013.

Items of Property, Plant and Equipment are depreciated in a manner that amortises the cost of the assets less its residual value, over their useful lives on a straight line basis.

NOTES ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period and the effect of any changes in estimate is accounted for on a prospective basis.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment (other than bearer plants) recognised as of 1st April, 2017 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost.

(ii) Bearer Plants

Bearer plants comprising of mature tea bushes and shade trees are stated at cost less accumulated depreciation and accumulated impairment losses.

Immature bearer plants, including the cost incurred for procurement of new seeds and maintenance of nurseries, are carried at cost less any recognized impairment losses under capital work-in-progress. Cost includes the cost of land preparation, new planting and maintenance of newly planted bushes until maturity. Immatured bearer plants expenditure incurred on them for five years are treated in the financial statements as Biological Assets

Note:7 On maturity, these costs are classified under bearer plants. Depreciation of bearer plants commence on maturity.

Costs incurred for infilling including block infilling are generally recognized in the Statement of Profit and Loss unless there is a significant increase in the yield of the sections, in which case such costs are capitalized and depreciated over the remaining useful life of the respective sections.

Depreciation on bearer plants is recognised so as to write off its cost over useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Estimated useful lives of the bearer plants has been determined to be 50 years. On transition to Ind AS, the Company has recognised bearer plants for the first time at fair value as of 1st April, 2016 and used the fair value as deemed cost.

D. Impairment of Assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible (Bearer Plant) assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount, which is the higher of an asset's net selling price and its value in use.

Recoverable amount is the higher of fair value less costs of disposal and value in use.

If impairment is no longer justified in future periods due to a recovery in assets' fair value or value in use, the impairment reserve is reversed.

E. Biological Assets

Biological assets of the Company represent the young plant which are under progress and will be converted into Bearer Plants after the expiry of five years when they yield as matured tea (capitalised).

F. Inventories

Inventories are stated at the lower of cost and net realisable value. Finished goods produced from agricultural produce are valued at lower of cost arrived at by adding the cost of conversion to the fair value of agricultural produce and the net realizable value. Net realizable value represents the estimated selling price for inventories less all selling costs.

Provision is made for obsolete, slow moving and defective inventories, whenever necessary.

G. Foreign Currency Transactions

The presentation currency of the Company is Indian Rupees. Transactions in foreign currency are accounted for at the exchange rate prevailing on the transaction date. Monetary transactions remaining unsettled are translated at the rate of exchange ruling at the end of the year. Exchange gain or loss arising on settlement/translation is recognised in the Statement of Profit and Loss.

H. Financial instruments

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issues of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

(i) Financial Assets**Recognition and Classification**

The financial assets are classified at initial recognition in the following measurement categories as:

- those subsequently measured at amortised cost.
- those to be subsequently measured at fair value [either through other comprehensive income (OCI), or through profit or loss]

(ii) Financial Liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into. Financial liabilities are classified, at initial recognition, as subsequently measured at amortized cost unless they fulfill the requirement of measurement at fair value through profit or loss. Where the financial liability has been measured at amortised cost, the difference between the initial carrying amount of the financial liabilities and their redemption value is recognized in the statement of profit and loss over the contractual terms using the effective interest rate method. Financial liabilities at fair value through profit or loss are carried at fair value with changes in fair value recognized in the finance income or finance cost in the statement of profit or loss.

(iii) Derecognition of financial assets and financial liabilities

Financial assets are derecognized when the rights to receive benefits have expired or been transferred and the Company has transferred substantially all risks and rewards of ownership of such financial asset. Financial liabilities are derecognized when the liability is extinguished, that is when the contractual obligation is discharged, cancelled or expires.

I. Revenue from sale of products

Revenue is measured at the fair value of the consideration received or receivable and is net off returns and discounts.

Revenue from the sale of goods includes duties which the Company pays as principal but excludes amounts collected on behalf of third parties,

Revenue from the sales of goods is recognised in the income statement when the goods are delivered to customers for domestic sales or when delivered to a carrier for export sales, which is when title and risks and rewards of ownership pass to the customer.

J. Employee Benefits

The Company operates defined contribution schemes like Provident Fund. The Company makes regular contribution to provident funds which are fully funded and administered by Government and are independent of Company's finance. Contributions are recognized in Statement of Profit and Loss on an accrual basis.

NOTES ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

Defined Benefit Gratuity Plan is maintained by the company for all its eligible employees. The Company contributes to the such fund on the basis of actuarial valuation at the end of each year the gratuity fund is administered by the Trustees and is independent of the Company's finance.

Annual contribution determined as payable in the actuarial valuation report is contributed. Gain or Loss on account of remeasurements are recognised immediately through Other Comprehensive Income in the period in which they occur.

K. Taxes on Income

Taxes on income comprises of current taxes and deferred taxes. Current tax in the statement of profit and loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

L. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

4.Key sources of estimation uncertainty

The following are the key assumptions concerning the future and other key sources of estimating uncertainty as at the balance sheet date that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

A. Useful lives of property, plant and equipment

The Company has adopted the useful lives as specified in Schedule II of the Companies Act, 2013 for property, plant and equipment other than for bearer plants. For bearer plants, it has determined the useful life to be 50 years. The Company reviews the estimated useful lives at the end of each reporting period. Such useful lives depend upon various factors such as usage, maintenance practices etc. and can involve estimation uncertainty. Changes

in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore, future depreciation charges

could be revised. The carrying amount of the Company's Property, Plant and Equipment at the balance sheet date is disclosed in Note:5 to the financial statements.

B. Impairment of property, plant and equipment

An impairment exists when the carrying value of an asset exceeds its recoverable amount, which is the higher of its fair value less costs to sell and its value in use. The fair value less costs to sell calculation is based on available data from binding sales transactions in an arm's length transaction of similar assets or observable market prices less incremental costs for disposing the asset.

C. Fair value measurements and valuation processes

Some of the Company's assets are measured at fair value for financial reporting purposes.

Significant estimates are used in fair valuation of Bearer Plants and biological assets

For bearer plants, the Company has used fair value as determined by third party qualified valuer.

D. Employee Defined Benefit Plans

The determination of Company's liability towards defined benefit obligations to employees is made through independent actuarial valuation. Such valuation depends upon assumptions determined after taking into account inflation, promotion and other relevant factors such as supply and demand factors in the employment market. Reference may please be made to Note 27.3.b.

3. Financial risk management objectives

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company continues to focus on a system-based approach to business risk management. The Company's financial risk management process seeks to enable the early identification, evaluation and effective management of key risks facing the business. Backed by strong internal control systems, the current Risk Management System rests on policies and procedures issued by appropriate authorities, process of regular reviews / audits to set appropriate risk limits and controls, monitoring of such risks and compliance confirmation for the same.

a) Market risk

The Company's business primarily agricultural in nature, exposes it to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of adverse weather conditions and lack of future markets. The Company closely monitors the changes in market conditions and select the sales strategies to mitigate its exposure to risk.

i. Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange and reinstatement risks arising from recognised assets and liabilities, which are not in the Company's functional currency (Indian Rupees). A significant portion of these transactions are in US Dollar

Foreign currency sensitivity

The impact of sensitivity analysis arising on account of outstanding foreign currency denominated assets and liabilities is insignificant.

ii. Interest rate risk

Interest rate risk refers to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The objectives of the Company's interest rate risk management processes are to lessen the impact of adverse interest rate movements on its earnings and cash flows and to minimize counter party risks.

b) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty including seasonality in meeting its obligations.

The Company mitigates its liquidity risks by ensuring timely collections of its trade receivables, close monitoring of its credit cycle and ensuring optimal movements of its inventories.

c) Credit risk

Credit risk is the risk that counter party will not meet its obligations leading to a financial loss.

The Company has its policies to limit its exposure to credit risk arising from outstanding receivables. Management regularly assess the credit quality of its customer's basis which, the terms of payment are decided. Credit limits are set for each customer which are reviewed on periodic intervals. The credit risk of the Company is low as the Company largely sells its teas through the auction system which is on cash and carry basis and through exports which are mostly backed by letter or credit or on advance basis.
